Mr. Randy Martin

Mount Pleasant, Michigan 48858

Dear Mr. Martin:

SUBJECT: Initial Assessment Report: Denial of Time Extension
Location: Former Martin's Kountry Korner, 2990 W. Remus Road,
Mt Pleasant, Isabella County, Michigan
Confirmed Release Number: C-0026-07
Facility ID: 00010768

This will acknowledge receipt of a letter dated April 30, 2007, from Michigan Consulting and Environmental Inc., requesting an extension of time for your submittal of the Initial Assessment Report (IAR) for the release of a regulated substance from your underground storage tank system. The Department of Environmental Quality (DEQ), Remediation and Redevelopment Division (RRD) may grant an extension of reporting time frames for good cause, pursuant to Section 21313a(3) of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended (Act 451).

Based upon the review of the reasons for an extension, the RRD has determined that the basis of your request does not constitute good cause, and that granting an extension of time is not appropriate. The IAR should be submitted by the established deadline, being May 21, 2007.

We also wish to remind you that the Final Assessment Report for your facility is due on February 19, 2008.

Please contact Larry Engelhart, Project Manager, at 989-686-8025 extension 8372, if you have any questions.

Sincerely,

Brenda Brouillet, District Supervisor
